

Instructions 03/30

This lecture is a workday. You will start Homework 4 based on Linear Transformations. I will be available to answer questions via email or during office hours.

To do List

1. Watch the short videos on some pointers and hints to the homework problems.
2. Start the homework. Feel free to use the codes from the 03/27 lecture.

Objectives

By the end of this lecture you should make progress on Homework 4.
