

Loyola University Maryland Presents

The Art of **Mental Calculation**

Presented by
Arthur Benjamin, Ph.D., professor,
author, and **mathemagician**
Harvey Mudd College

Monday, March 26, 2012
7 p.m.
McGuire Hall

Arthur Benjamin, Ph.D., a professor of mathematics at Harvey Mudd College in Claremont, Calif., has managed to combine his two passions—magic and math. He is a dedicated professor who also uses “magic” to demonstrate the power of mathematics and mental agility.
